Algoma Central Railway

Wabatongushi Lake has Great Fishing for Walleye, Northern Pike, Perch & Whitefish. Secluded and picturesque, Wabatongushi Lake covers about 10,000 acres with over 70 islands, numerous bays, many sandbars, rocky reefs, shallow weedbeds, creeks and rivers, Wabatongushi is a prolific natural fish habitat we encourage with our long standing promotion of Catch & Release of

Trophy Fish. Our Remote Fishing Lodge is on 10 acre Wilderness Island in the North end of Wabatongushi Lake where we have our Lodge, Suites and some of our cabins, and the rest of our cabins on a smaller 5 acre island about 5 minutes away by boat. We provide 18 foot cedar fishing boats for safety and

comfort with eco-friendly 4-stroke outboard motors, fish finders, life-vests, all safety equipment and fuel included.

Our secluded Island Fishing Lodge is 1.5 miles/2.5 km by boat from the Algoma Central Railway Passenger Train, or Charter Float Planes fly you right to our Main Dock.

Algoma Central Railway Passenger Train operates 3 day per week between Sault Ste Marie and Hearst, Northbound on Saturday, Monday, Thursday and

Southbound on Friday, Sunday, Tuesday. Northbound train departs Sault Ste Marie at 9:20 am, stops at Hawk Junction at 3:00 pm for 20 minutes to load passengers and arrives at Wabatongushi Lake at approximately 4:20 pm EST. It is a 15 minute boat ride

to our island from the train. Southbound train departs Hearst at 8:30 am, arrives at Wabatongushi Lake at 11:00 am, Hawk Junction at noon and arrives at Sault Ste Marie after 6:00 pm.

We are 20 minutes by float plane flight or 1-1/2 hours by train from Hawk Junction Ontario Canada 15 minutes East of the famous Canada Goose Statue at Wawa. Trains come in on Saturday, Monday, Thursday and depart on Friday, Sunday, Tuesday. Float Planes can be arranged any time during daylight hours. It is also easy for us to arrange train one way and float plane the other. Hawk Junction is a 3 hour drive North from Sault Ste Marie on the Trans-Canada highway along the beautiful Lake Superior Coast.

Train access is also available from Sault Ste Marie where the passenger train can be combined with the Agawa Canyon Tour Train. Or the passenger train from the North out of Hearst can be connected with the Ontario Northland Train out of Toronto.
